### [african art visual arts britannica](#)

The popular notion of art in the West, however, is very different, for it is thought to comprise masks and very little else"except, perhaps, "local colour." This misconception has been enhanced by the aforementioned European concept of fine art, but it may have originated in a dependence, during the first period of Western interest in African art, upon collectible artifacts"some of ...

[counting the cost a sermon bob cornwall](#)

The message is simple: If you want to be my disciple then you'd better count the costs. It's an all or nothing proposition. If you're not ready to jump in with both feet, and stay with the journey until the very end, then perhaps its best to stay behind rather than suffer the embarrassment of starting out on the journey and having to turn back before you get to the end.
